RE: October Monthly Report (09/01/06 - 09/30/06)

Dear Ms. Winship:

This submission is in response to the recent review of the Committee's reports.

Progressive Choices PAC is a small Committee with limited administrative expenses, no salaried employees or an office. The Committee's activities are administered by the finance and compliance consultants who are compensated at the end of the year. The Committee shares office space with another organization, and has disclosed payments for rent, telephone and office supplies. Operating expenses are reported on Schedule B in support of Line 21b and there are no outstanding debts and obligations to report.
